

Zoha Ilyas

Full-Stack Developer

Summary

Dynamic and motivated full stack developer with less than a year of hands-on experience in both front-end and back-end development. Gained extensive knowledge and practical skills from Bitstorm Solutions, with expertise in modern web technologies including HTML, CSS, JavaScript, ReactJS, Bootstrap, WordPress, Figma, PHP, OOP, and Laravel. Adept at creating responsive and user-friendly web applications, collaborating effectively with teams, and continuously improving through learning and adapting to new challenges.

Work Experience

Full Stack Developer Intern

- Bitstorm Solutions**
November 2023 – June 2024

Innovative Front-End Development:

- Translated wireframes and mockups into responsive web applications using HTML5, CSS3, and JavaScript.
- Enhanced user experience through interactive components using ReactJS, ensuring seamless navigation and engagement.
- Ensured cross-browser compatibility and optimized web performance for various devices.

Robust Back-End Development:

- Developed RESTful APIs and backend services using PHP, OOP, and Laravel, focusing on efficient data management and security.
- Designed and maintained relational databases, specifically MySQL, for effective data storage and retrieval.
- Implemented secure coding practices, participated in code reviews, and contributed to overall code quality.

Comprehensive Full-Stack Development:

- Managed full development lifecycle tasks from initial concept to deployment, ensuring timely and high-quality deliveries.
- Collaborated with cross-functional teams to integrate front-end and back-end components, achieving cohesive and robust web applications.
- Continuously improved application performance and user experience through iterative development and feedback incorporation.
